

In the Name Of GOD

Curriculum Vitae

Shahram Bamdad, M.D.

Sex:	Male	Tel: +98-71 32302830
Place of birth:	Tehran, Iran	fax: +98-71 32355936
Nationality:	Iranian	Email: Bamdadsh@sums.ac.ir
Civil status:	Married	Shahrambamdad@yahoo.com Shahrambamdad@gmail.com

Address: Khalili Hospital, Dept. of ophthalmology, Shiraz university of Medical Sciences

CURRENT POSITION

- ❖ Professor of ophthalmology at Shiraz University of Medical Sciences, Shiraz, Iran

EDUCATION AND AWARDS

- 1986-1990 Tohid –high School, Shiraz –Iran with Honor
- 1990-1997 Shiraz University of Medical Science, Shiraz Iran: Doctor of Medicine (M.D) with honor
- 1999-2003 Mashhad university of medical sciences, Mashhad, Iran, School of medicine, Dept. of Ophthalmology, specialty of ophthalmology with honor
- 2000-2001 Chief resident of ophthalmology ward, Dept. of ophthalmology, Mashhad university of medical sciences, school of medicine, Mashhad Iran.
- 2003-2009 Assistant professor of ophthalmology at Yasuj University of medical sciences, Yasuj, Iran
- 2004-2009 Advisor of Medical student, Yasuj university of medical sciences, school of medicine Yasuj, Iran
- 2004-2009 Director of education of training program of medical sciences, school of medicine, Yasuj, Iran
- 2008-2009 Member colleague of ophthalmology research center of Tehran University of medical sciences.
- 2001 certification of international council of ophthalmology (the basic sciences assessment in ophthalmology including optic refraction)

- 2002 Certification of international council of ophthalmology (the clinical science assessment in ophthalmology)
- 2008-2009 Tehran university of medical sciences, Tehran Iran: Cornea and Ant segment Fellowship
- 2012 Shahid Beheshti university of medical sciences: Ocular surface diseases Fellowship

EXPERIENCE AND POSITIONS

- 2009-2017 Assistant professor of ophthalmology at Shiraz University of Medical Sciences, Shiraz, Iran.
- 2017-2023 Associate professor of ophthalmology at shiraz university of medical Sciences. Shiraz, Iran.
- 2023 Full professor of ophthalmology at Shiraz University of Medical Sciences, Shiraz, Iran.

PROFESSIONAL MEMBERSHIPS

- Member medical council of Iran
- Member of Iranian society of ophthalmology

Thesis with medical students

2014	Assessment of the expression of SDF-1 & CXCR4 gene transcripts tissues isolated from patients with pterygium compared to normal conjunctiva.	Dr. Taseh A.
2015	Evaluation the possibility of amoebic infection in patients suffering from the keratitis and encephalitis by direct cultu and PCR methods.	Dr. Bahreini MS.
2015	Title: Comparison the effects of intracameral adrenalin solution with concentration 1/10000 and 1/100000 on corneal endothelium and macular thickness after uneventful phacoemulsification	Dr. Rahimi R.
2016	Title: Comparison of two techniques of pterygium surgery: Rotational autograft from pterygium tissue with intraoperative mitomycin C versus free conjunctival graft with intraoperative mitomycin C	Dr. Shamsi A.
2018	Comparing serum zinc, copper, iron, magnesium, and calcium lev between patients with advanced keratoconus and control subjects	Dr.Bolkheyir A.
2019	comparison vision related quality of life in adult patients, before a after cataract surgery in shiraz Khalili hospital, between first eye & second eye & simple aspheric IO1 comparison to multi focal IO1	Dr.Razavizadegan
2019	Correlation between gender, refraction, topographic, pachymetric and aberometric data in myopic eyes of aged 20-40 years old in Motahari clinic patients	Dr.Bakht S.
2021	Title: comparison of ocular biometry with the pentacam AXL, IOL Master700 in patients with Intrastromal Corneal Ring Implantatio	Dr.Ghafarpour AH.
2022	The effect of Pilocarpine drops of 1, 1.25 and 1.5 in the treatment of presbyopia and its comparison with the control group	Dr.Karami M

2022	To evaluate the effect of photorefractive keratectomy on the perfusion of optic nerve head and macula in the myopic individuals using OCT angiography	Dr.Nejabat A
2022	To determine the effect of collagen crosslinking (CCL) in circulation of optic nerve by using OCT angiography in patients with keratoconus in Shiraz Khalili hospital in 1400-1401	Dr. Falah zadeh M
2024	To evaluate the agreement of IOL master 700, pentacam, pentacam AXL and anterior segment OCT in regard to ocular dimensions in patients who referred to Poostchi eye clinic between 1402-1403	Dr.Sadeghi MJ
